

CURRICULUM VITAE

Stephen R. Klapper, M.D. , F.A.C.S.

GENERAL BIOGRAPHICAL INFORMATION

Personal Information:

Business: Stephen R. Klapper, M.D., L.L.C.
d/b/a Klapper Eyelid & Facial Plastic Surgery UPIN # G37114

Indianapolis North Office (corresponding address)
11900 North Pennsylvania Street, Suite 104
Carmel, IN 46032

Indianapolis South Office
5255 E. Stop 11 Rd., Suite 410
Indianapolis, IN 46237

Fort Wayne Office
7900 W. Jefferson Blvd., Suite 102
Fort Wayne, IN 46804

(317) 818-1000 Office
(877) 818-8101 Toll-free
(317) 818-1001 Fax
www.KlapperPlasticSurgery.com
email: steve@KlapperPlasticSurgery.com

Citizenship: U.S.A.

Education:

Undergraduate: Indiana University
Bloomington, Indiana
Bachelor of Science with High Distinction 1984-1988

Medical School: Indiana University School of Medicine (I.U.M.C.)
Indianapolis, Indiana
M.D. with Honors 1988-1992

Post-Graduate Training:

Internship: Transitional (Flexible medical and surgical) 1992-1993
Methodist Graduate Medical Center
Director: Stephen J. Jay, M.D.
Indianapolis, Indiana

Residency: Department of Ophthalmology
Baylor College of Medicine
Department of Ophthalmology
6501 Fannin, NC-200
Houston, Texas 77030 U.S.A
Chairman: Dan B. Jones, M.D.
Director: Douglas Koch, M.D.

Chief Resident 1995-1996
Curriculum Committee 1995-1996
Medical Student Education Committee 1995-1996

Fellowship: Ophthalmic Plastic and Reconstructive Surgery 1997-1998
Orbital and Oncology Surgery
Lacrimal Surgery
University of Ottawa - Eye Institute
501 Smyth
Ottawa, Ontario K1H 8L6

Preceptor: David R. Jordan, M.D., F.A.C.S., F.R.C.S. (C)
340 McLeod St, Suite 104
Ottawa, Ontario (Canada) K2P 1A4

Other Information:

Honors and Awards:

Dean's Academic List, Indiana University 1984-1988

Phi Beta Kappa 1988

Thompson Research Scholarship, I.U.M.C. 1989
"Isoforms of the 17,000 Dalton Light Chain of
Smooth Muscle Myosin: Effects of Phenotypic
Modulation on Expression"

Honors Program in Academic Medicine, I.U.M.C. 1989-1991
"Computerized Image Analysis: Changes in
Pallor and Retinal Nerve Fiber Layer Thickness
in Post-Trabeculectomy Glaucoma Patients"

Alpha Omega Alpha Honor Medical Society 1991

Rinker Medical Scholarship (top 10% of class), I.U.M.C. 1991

Academic Achievement Award, I.U.M.C. 1992

Board Certification:

Diplomate, National Board of Medical Examiners July 1, 1993
Diplomate, American Board of Ophthalmology June 7, 1998

Medical Licensure:

State of Pennsylvania	No.	MD -05806 –L (inactive)	December 15, 1995
State of Texas	No.	K0870 (inactive)	August 17, 1996
College of Physicians and Surgeons of Ontario	No.	71283 (inactive)	July 1, 1997
State of Indiana	No.	01048211	February 26, 1998
Medical Assurance Professional Liability Policy			# MP34148

Instrument Certification:

Coherent UltraPulse™ CO ₂ Laser Workshop (San Francisco)	October 24, 1997
Midas Rex® Instrumentation System Instruction Conference (Ottawa, Ontario)	June 18-19, 1998

Professional Societies:

American Federation for Clinical Research	1989-1993
American Medical Association	1989-1996
Phi Rho Sigma Medical Society	1991
Alpha Omega Alpha Honor Medical Society	1991-present
Texas Ophthalmological Association	1993-1997
American Academy of Ophthalmology	1993-present
American Society of Cataract & Refractive Surgery	1994-1997
Contact Lens Association of Ophthalmologists	1994-1998
Canadian Medical Protection Association	1997-1998
Canadian Ophthalmological Society	1997-1998
Association for Research in Vision and Ophthalmology	1998-1999
Fort Wayne Medical Society	1998-2000
Fort Wayne Ophthalmology Society	1998-2000

Canadian Society of Oculoplastic Surgery	1998-present
Indiana State Medical Association Alternate Delegate to State Convention	1998-present 2002-2005
Indiana Academy of Ophthalmology	1998-present
Benign Essential Blepharospasm Research Foundation	1998-present
Dystonia Medical Research Foundation	1998-present
European Society of Ophthalmic Plastic and Reconstructive Surgery, Associate Member	1999-present
Indianapolis Medical Society Member, Board of Directors	2000-present 2003-present
Indianapolis Ophthalmology Society	2000-2007
American College of Surgeons, Fellow	2002-present
American Society of Ophthalmic Plastic and Reconstructive Surgery	2005-present
American Society of Ocularists Member, Medical Advisory Board	2006-present
American Eye Study Club, Member	2008-present

Current Hospital Appointments

St. Francis Hospital & Health Centers, Indianapolis, IN St Francis Beech Grove St Francis Indianapolis	2001-present

21. Klapper SR. Preseptal and Orbital Cellulitis: Current Management and Future Horizons. American Eye Study Club 51st Annual Meeting, Ojai, California July 31, 2008.
22. Klapper SR. Sinusitis Following Orbital Decompression Surgery: Etiology and Prevention. American Eye Study Club 51st Annual Meeting, Ojai, California, August 1, 2008.

Current Research Projects:

1. Composition of Müller's muscle of the upper eyelid.

Peer-Reviewed Journal Review

Scientific Reviewer, *Ophthalmic Plastic and Reconstructive Surgery*(USA) 2000-present
Scientific Reviewer, *EYE* (United Kingdom) 2007-present

TEACHING INFORMATION

Academic Appointments:

Clinical Instructor of Ophthalmology
Baylor College of Medicine
Houston, Texas

July, 1996 – June, 1997

Clinical Instructor
Fort Wayne Medical Education Program
Fort Wayne, Indiana

July, 1998 – July, 2000

Volunteer, Clinical Instructor of Ophthalmology
Indiana University School of Medicine
Indianapolis, IN

July, 2001 - present

Regional Lectures:

“Eyelid Malpositions”. Northeast Indiana Optometric Society Meeting, Fort Wayne, IN, May 19, 1999.

“Lumps, Bumps, and Skin Cancers of the Ocular Adnexa”. Northeast Indiana Optometric Society Meeting, Fort Wayne, IN, May 19, 1999.

“Lumps, Bumps, and Skin Cancers of the Ocular Adnexa”. Indiana Optometric Association Fall Seminar, Bloomington, IN, October 6-7, 1999.

“The Anophthalmic Patient”. Indiana Optometric Association Fall Seminar, Bloomington, IN, October 6-7, 1999.

“A Potpourri of Eyelid Malpositions.” Focus on Education, The Price Vision Group, Indianapolis, IN, October 14, 2000.

“Lumps, Bumps, and Skin Cancers of the Ocular Adnexa”. Focus on Education, The Price Vision Group, Indianapolis, IN, October 14, 2000.

“Periorbital Trauma”. Facial Plastic Surgery 2000, Indiana University Medical School, Department of Otolaryngology-Head and Neck Surgery, Indianapolis, IN, December 1-2, 2000.

“Ptosis and Ectropion”. Facial Plastic Surgery 2000, Indiana University Medical School, Department of Otolaryngology-Head and Neck Surgery, Indianapolis, IN, December 1-2, 2000.

“Eyelid Reconstruction”. Facial Plastic Surgery 2001, Indiana University Medical School, Department of Otolaryngology-Head and Neck Surgery, Indianapolis, IN, November 30-December 1, 2001.

“Lids, Lashes, and Lesions”. The Indiana Academy of Ophthalmology 2002 Meeting, Indianapolis, IN, September 13, 2002.

“Oculoplastic Surgery: *An Update*”. The Indiana Academy of Ophthalmology 2003 Meeting, Indianapolis, IN, September 12, 2003.

“Eyelid Lumps and Bumps”. Indiana University School of Optometry 2003 Continuing Education Meeting, Indianapolis, IN, December 28, 2003.

“The Watery Eye”. Indiana University School of Optometry 2003 Continuing Education Meeting, Indianapolis, IN, December 28, 2003.

“Oculoplastic Surgery: Eyelid Reconstruction and Tearing”. The Indiana Academy of Ophthalmology 2004 Meeting, Indianapolis, IN, September 17, 2004.

“Thyroid Eye Disease and Eyelid and Facial Trauma”. Indiana University School of Optometry 2004 Continuing Education Meeting, Indianapolis, IN December 29, 2004.

“Oculofacial Surgery: Grand Rounds”. Indiana University School of Optometry 2005 Continuing Education Meeting, Bloomington, IN, August 21, 2005.

“Facial Rejuvenation: an overview”. The Indiana Academy of Ophthalmology 2005 Meeting, Indianapolis, IN September 16, 2005.

“Oculoplastic Surgery: *An Update*”. Formulary Seminar, Indiana Optometric Association, Indianapolis, IN July 12, 2006.

“New Concepts in Oculoplastics”. Advances in Ophthalmology: The Future is Here and the Centennial Celebration of the Indiana University School of Medicine Department of Ophthalmology, Indianapolis, IN October 10, 2008.

Local Lectures:

“Eyelid Malpositions”. Fort Wayne Medical Education Program Resident Lecture Series, Fort Wayne, IN, May 13, 1999.

“Lumps, Bumps, and Skin Cancers of the Ocular Adnexa”. Lutheran Hospital of Indiana Grand Rounds, Fort Wayne, IN, August 24, 1999.

“The Anophthalmic Patient”. Parkview Memorial Hospital Annual Family Practice Conference, Fort Wayne, IN, October 21, 1999.

“Oculoplastic Surgery: Everything You Need to Know”. Isaac Knapp District Dental Society Meeting, Fort Wayne, IN, November 17, 1999.

“Enucleation/Evisceration Techniques and Update on Implants and Wraps”. Indiana University School of Medicine, Department of Ophthalmology, December 15, 2000.

“Eyelid Reconstruction”. Indiana University School of Medicine, Department of Otolaryngology and Facial Plastic Surgery, April 5, 2001.

“Introduction to Blepharoplasty and Ptosis”. Indiana University School of Medicine, Department of Otolaryngology and Facial Plastic Surgery, November 6, 2001.

“Management of Ectropion and Entropion”. Indiana University School of Medicine, Department of Otolaryngology and Facial Plastic Surgery, February 5, 2002.

“Facial Rejuvenation”. St Vincent Hospital Women’s Health Series, August 24, 2005

“Cosmetic Procedures in Oculofacial Surgery”. Central Indiana Optometric Society, Indianapolis, IN, February 7, 2006.

Media Presentations:

“Eyelid Disorders: An Overview”. “*Older and Wiser*”, PBS 39. June 7, 1999.

“Botox Injections”. “Shaareen On the Scene.” FOX 59. April 2, 2001.

WORK EXPERIENCE

- Stephen R. Klapper, M.D., L.L.C. (January 12, 2001 – present)
Klapper Eyelid and Facial Plastic Surgery
11900 North Pennsylvania Street, Suite 104
Carmel, IN 46032
